

LANDLORD PORTAL SIGN UP FORM

In an attempt to supply our landlords with updated changes, news, and information regarding their tenants, the Division of Housing (DOH) has created a landlord portal that gives our landlords 24 hour-a-day access to their tenant information. This includes payments, holds, family members in the household, annual review times, and inspection information. You can also sign up to get email notifications of any changes.

To obtain access to the portal, please complete this form and email it to dola_landlordportal@state.co.us
